The Future is Now: Advancing Sustainable Health Care through Academic Research

11th Annual PHCRI Research Day

June 1, 2015 | 10:00 am - 12:30 pm (doors open 9:30am)
Century Plaza Hotel, Burrard Ballroom, 1015 Burrard St.

Providence Health Care Research Institute invites all staff and researchers to join us in celebration of our research community and to learn about a relevant research topic from this year’s keynote speaker, Dr. Dermot Kelleher.

Dr. Dermot Kelleher
MD, FRCP, FRCPI, F Med Sci, AGAF, FIAMS
Vice President (Health) and Dean, Faculty of Medicine, Imperial College London
Incoming Dean of Faculty of Medicine, University of British Columbia

RSVP to research@providencehealth.bc.ca by May 22 to secure a seat. Lunch will be provided.
