DEPARTMENT of PSYCHIATRY
GRAND ROUNDS
Friday, December 9, 2016
Presented by:
Scott MacDonald, MD
Eugenia Oviedo-Joekes, PhD
Heather Palis, MSc, PhD Candidate

Responding to the Overdose Crisis: Hydromorphone, Heroin & siOAT

Hurlburt Auditorium
9:00am – 10:00am

LEARNING OBJECTIVES:

- At the end of the presentation the physician will be able to identify the key components of the supervised model of care for treatment with injectable opioids.
- At the end of the presentation the physician will be able to describe the main results of the efficacy and safety of injectable hydromorphone and diacetylmorphine in the SALOME study.
- At the end of the presentation the physician will be able to compare participant perceptions of treatment effectiveness with the main trial findings.

This event is an accredited group learning activity as defined by the Maintenance Certification Program of the Royal College of Physicians and Surgeons of Canada.
